

**STREAMLINE**  
**ONE PIECE DOOR™**  
**wall bed mechanism**

When a seamless look is required the Pardo Streamline wall bed mechanism is ideal.

The one piece door is the architects favourite!

✓ *Imported European Quality*

**WHAT'S INCLUDED IN YOUR DELIVERY?**

**MECHANISM INCLUDES**

- Tension adjustable fully enclosed mechanism
- Cambered beech slat mattress supports in flexi cups
- Sturdy powderkoted leg
- Mounting brackets, bolts & screws
- Cabinet cutting list guide
- Comprehensive installation instructions
- 5 year warranty

**SPACE REQUIRED**

SIZE	Width	Cabinet Height	Depth folded out	Cabinet depth
Double	1500	2100	2350	500
Queen	1600	2230	2500	500

All dimensions shown in millimetres. Approximate dimensions only. We recommend 16mm Particleboard for doors. Request instructions for details.

**IMPORTANT NOTES**

**BED FRAME:** The wall bed features cambered beech slat mattress supports which allow for the natural curve of the spine while resting. The slat supports are to be connected to the bedframe by flexible support brackets, supplied.

**MATTRESS:** Standard innerspring mattresses are recommended. Maximum mattress thickness is 250mm.

**INSTALLATION:** All cabinets must be fixed securely to the wall. We recommend a qualified cabinet maker for installation.

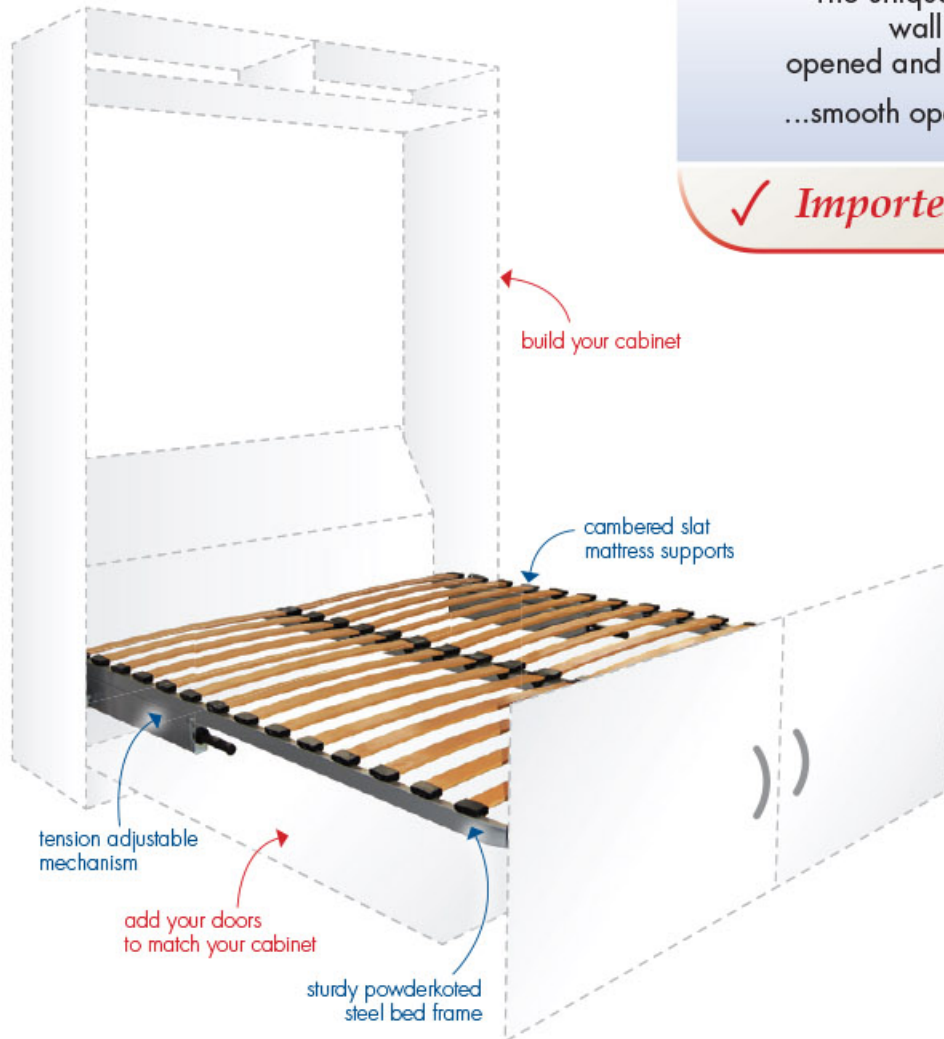

**OPERATION:**

All wall beds **MUST** be carefully lowered to the floor and not left to drop freely.

**PRICES:** Prices listed are for mechanism only. All cabinetry & bedframe by others. Mattress sold separately.

The unique Pardo Fold Down Door wall bed mechanism is opened and closed in one easy motion ...smooth operation and very functional

✓ *Imported European Quality*
